

[Date]

Dear [Church Leadership],

The Leadership Board of LifeWise Academy [Program] is seeking local churches to support in their efforts to reach the next generation with the gospel, and we would love to partner with you.

LifeWise is a released time religious instruction program that exists to reach students in public schools with the gospel during school hours. Under little-known released time laws, students can be released from public school during the day to attend religious classes, provided the program is held off school property, privately funded and parent-permitted.

We have a LifeWise program preparing to launch here in [school district]! Community members have voiced their support, and we are now working through a T-Minus Plan. Once we begin classes [this fall], we will seek every opportunity to strategically connect students and their families to the broader ministry of local partner churches. There are a number of ways you can help us, too, from spreading the word about LifeWise in your congregation to hosting classes at your facility.

Please review the enclosed information about LifeWise Academy and contact us for more information or to get involved. Thank you for everything you're doing to spread the gospel in our community! We are excited to hear from you.

Sincerely,

[Name]
