

10 STEPS

TO LAUNCH A LIFEWISE

STEP 3: RAISE \$500 LAUNCH FEE

Purpose

The launch fee serves to defray the cost of a number of systems. It supports staff time and our resource creation process—we want to provide the best possible tools to help communities spread the word and educate others about LifeWise. The fee also gives your district the opportunity to commit themselves to seeing a LifeWise program started in their area. All LifeWise programs are privately funded by those within their communities.

How To Give

- ◆ To donate online
 - ◇ Each school district will be set up with a specific fund
 - ◇ Go to lifewise.org/donate
 - Select “My LifeWise Program”
 - Type the name of your school district under the “Payment Info” section in the “Campaign” field
- ◆ To donate via check
 - ◇ Send a check to:
LifeWise
L - 4327
Columbus, OH 43260-4327
 - ◇ Be sure to write the name of your school district in the memo line
- ◆ Cash is not recommended

Giving Tips

The initial \$500 launch fee is encouraged to be raised prior to or the same day as the Kickoff Meeting. There are several ways this can be accomplished:

- ◆ A singular donor willing to help move things forward
- ◆ Multiple Kickoff Meeting attendees donating \$50-100
- ◆ A local church shows support by giving toward the fee

We look forward to linking arms with you to share the gospel with public school students DURING SCHOOL HOURS in your area!
