To CIL After School Board Meeting (Positive)

Recipients: To CIL after School Board Meeting (positive response, waiting for acknowledgement)

Goal: Update and spark involvement

Subject: LifeWise Update

Dear Community Member,

Exciting things are taking place in [SCHOOL DISTRICT], and we wanted to share our joy with you, since you helped make it possible!

Your name was among the [CIL COUNT] people who signed a Community Interest List to bring a LifeWise Academy to [SCHOOL DISTRICT], making it possible for students to receive Bible-based character education during school hours. On [DAY/DATE], the local Steering Committee presented a proposal to the Board of Education, and I am overjoyed to say the board granted acknowledgement for us to move forward with the next steps to make this vision a reality in our community.

We would love your continued partnership as we take these next steps! Here are some ways you can support us:

1. Psalm 30:4 encourages us to sing praises to God and give thanks to His holy Name. We invite you to join us in praising Him for this open door to work within the school system.
2. Continue to share the Community Interest List with your friends and neighbors. Continuing to spread the word will make it possible for more people to receive updates and join with us in prayer and other avenues of involvement as they feel led.
3. Pray with us for the Lord to move the hearts of those who will join us in key roles: a Director for our local program, teachers, volunteers, donors and prayer warriors. If you feel led to join us in any of these ways, please let us know!
4. We are already raising funds to meet the tangible needs of our local program, and if you'd like to join us, please go to lifewise.org/donate and search for our school district to contribute!

Thank you for being part of the story of the [SCHOOL DISTRICT] LifeWise program. Our prayer is that your own faith will be impacted and strengthened as you see God at work in this unfolding story!

Sincerely,
